

**Frederick Thomas**  
ELECTRICAL & MAINTENANCE LTD

## EDUCATION

SURESTART, DARLASTON

Frederick Thomas Electrical & Maintenance successfully completed the Electrical installation to SureStart, a children's nursery in Darlaston, West Midlands. The work was carried out within the refurbished building and newly built extension.

The building contained:

- Two crèches
- Café
- Shop area
- Activity room
- Meeting rooms
- Offices
- Bistro & Training Kitchen

Lighting to the majority of areas is dimmable to create the required ambient lighting and to make rooms versatile for different activities.

Feature lighting was installed to the reception area, consisting of a colour changing fitting which, at night, illuminates the architectural glass screen at the front of the building.

For the Client's peace of mind, remote monitoring of the Fire alarm and Security alarm was installed.
