

**Frederick Thomas**  
ELECTRICAL & MAINTENANCE LTD

**RETAIL**

STAFFAN TOLLGARD, CHELSEA

Frederick Thomas Electrical & Maintenance Ltd was appointed by APSS as a partnering M&E services contractor to design and install mechanical and electrical services for Staffan Tollgard. Design Group's new flagship design studio located within London SW1.

Our works comprised of a complete new M&E services installation within an existing shell retail unit.

Both Frederick Thomas and APSS worked very closely with Staffan Tollgard Design Group to achieve a bespoke high end design studio.

The design studio features conceptual design layouts which introduce many cases of bespoke light fittings and electrical accessory finishes.
