

Frederick Thomas
ELECTRICAL & MAINTENANCE LTD

RESIDENTIAL

GOLDING ORCHARD, KENT

Frederick Thomas Electrical & Maintenance Ltd were awarded this project following a number of successfully completed projects for Woodside Consultancy, who were acting on behalf of the Client on this particular project.

The project consisted of the new build installation of a luxurious country house set in a small village in Kent.

The property is constructed over four floors, with a large double garage to the side of the property, set in approximately 3 acres of land.

Frederick Thomas Electrical & Maintenance Ltd carried out the complete design, and installation of the electrical services, air conditioning and mechanical control wiring for the project.

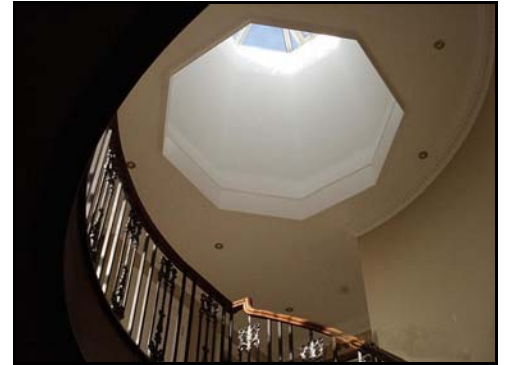

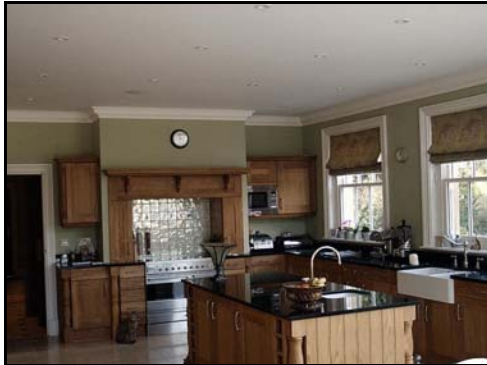

All works were tested and certified to NICEIC requirements and signed off by us as "Part P" compliant.

Frederick Thomas

ELECTRICAL & MAINTENANCE LTD

GOLDING ORCHARD, KENT

The Installation included:

Complete electrical installation including main intake panel, sub-main cabling and installation of distribution boards.

Internal and external lighting, including feature lighting around the internal hexagonal light well.

Internal and external lifts.

Small power.

Waste water pumping station.

Ventilation to bathrooms and kitchen.

Garage installation.

Central heating electric boilers, programmers, thermostats and under floor heating zone valves.

Heat pump with multiple outlet grilles in the fourth floor (attic) area to provide heating and cooling.

Client: Woodside Consultancy
