EDUCATION

DANSON PRIMARY SCHOOL, WELLING

As approved contractors for Bexley Council, we were instructed to undertake the electrical and ancillary works associated with classroom extension block. Works were undertaken during school terms with strong emphasis on Health and Safety and CDM regulations.

Our package consisted of new switchgear, lighting, small power, fire alarms, mechanical wiring, intruder alarms and TV aerial network covering classrooms, store rooms, link corridor and boiler/plant room. All works being tested and certified to NICEIC standards.

Due to our performance and success of this project, we were nominated by Bexley Council to undertake an identical school extension at Mayplace Primary School, Bexleyheath. We also secured further projects with this main contractor due to our competitiveness and performance.
